

ST. JOHN'S DISTRICT FEDERATION FESTIVAL

Juniors are expected to exhibit honorable behavior at all times.

We have the opportunity to perform in a fine facility.

**We wish to have this opportunity in the years to come,
so treat this facility as if it were *your* own home.**

Building Decorum

- 1. Food and drink of any kind will not be allowed in the building.**
- 2. Students, please use the stairs and elevators. Please do not use the escalators.**
- 3. Yelling or running is unacceptable behavior. Please be as quiet as possible in the hallways.**
- 4. Please keep the restrooms neat and clean.**
- 5. Please do not go near the platform area in the sanctuary. First Baptist's instruments are off limits!**

Disqualification Reminders

- 1. You must provide an original score for the judge. No copied music (unless written permission is obtained from the publisher and provided for the judge).**
- 2. Events, such as concerti, hymn playing, vocal, accompaniment, strings, and flute, need an original score for the judge and the accompanist or soloist.**

I know you want to have a great day at Festival sharing with us all the hard work you have accomplished, seeing friends, and earning gold cup points. Please observe these rules and we can celebrate the best Festival in our history.

**Debra H. Carter, St. John's District President
St. John's District Federation Festival**
