

Florida Federation of Music Clubs, Inc.

Enclosed you will find the 2007-2008 Junior Club dues form. Please check the top part of the form for accuracy and make any necessary corrections directly on the form. The bottom of the form has changed. Please fill out the six (6) parts at the bottom carefully!

IMPORTANT: A special assessment of \$1.00 per Junior is being collected from all Junior Clubs this dues year. These funds will be held in reserve and, if necessary, used to help host the 2009 National Federation of Music Clubs Annual Convention to be held here in Orlando, Florida. Any of the funds raised by this assessment that are not used for the convention will be applied toward future Junior scholarships.

NOTE: This year we are requiring all Junior Clubs to submit a list of all Junior members. See #1 below.

Numbered items correspond to numbered rows at the bottom of the form

#1 – FFMC is requiring a list of all students (Juniors) that will be participating in the Festival program. Please list your students alphabetically on a separate sheet. We realize that teachers may not have a complete list of students participating in the Festival program by the September 1, 2007 deadline. You may declare additional students by the final December 1, 2007 deadline. If you meet the September 1 deadline there will be no late fee for submitting the names and fees for additional students by December 1, 2007.

#2 – This year there is an additional special assessment of \$1.00 for every student (Junior) that is registered to participate in the Festival program. This fee will be based on the number of students that you declare on line #1. If additional students are registered later than this assessment, as well as applicable Junior fees, will apply.

#3 – Counselors of Junior Clubs must declare all teachers who are entering students (Juniors) through their Junior Clubs. Be sure to list the name and addresses of all additional teachers. Make sure that you declare their Junior students on line #1.

#4 – All teachers who are not a member of a Senior Club must join as an individual member. Teachers should support their local Senior Club whenever possible.

#5 – The absolute deadline of December 1, 2007 is firm and not negotiable! All teachers and students must be registered by this deadline in order to participate in the 2008 Festival.

Please take time to make sure all teachers and students are registered as members of FFMC. Our students are working hard and doing their best to prepare for the Festival auditions. Do your part to make sure that they are registered!
